MEDIA RELEASE: 4TH APRIL 2017

PRICE CHANGE IN BISTRO

Dear Members,

As of Tuesday 4th April 2017 we have adjusted the prices of meals in the Bistro to meet the current economic climate.

Please note:

- Lunch time specials are now \$11.00 not \$10.00
- Cheap Choose-day meals are now \$11.00 not \$9.90

The April 2017 Entertainment Guide is displaying the old prices, so please note that this is incorrect.

Our apologies on this, and we thank you for your patience and co-operation.
